Dear Taxpayer,

As Manatee County's Property Appraiser, one of my functions is to ensure that all eligible taxpayers get the full benefit of those exemptions to which they are entitled. This brochure explains the Additional Homestead Exemption for Low Income Seniors and what it may mean to you if you are eligible and apply by March 1, 2024.

The Low Income Senior Homestead Exemption was approved by the voters in November, 1998 as an amendment to the Florida Constitution. The amendment authorized the legislature to pass a law allowing counties and municipalities to grant an additional homestead exemption to low income persons who are at least sixty-five (65) years of age and whose total household adjusted gross income falls beneath defined limits as outlined in this brochure.

If after reviewing this information, you have additional questions, please contact my office.

Respectfully,

## What is the Low Income Senior Homestead Exemption?

This is an additional homestead exemption of up to \$50,000 which may be adopted by the county and cities for qualified persons 65 and over. The Manatee Board of County Commissioners has approved an exemption of \$25,000 from county millage for qualified seniors. The municipalities of Anna Maria Island, Holmes Beach and Bradenton Beach have also approved an exemption from city millage on \$25,000 of assessed value in addition to their standard homestead exemption. Longboat Key has approved an exemption of \$50,000.

NOTE: This exemption will apply only to the taxes levied by those governing bodies that have adopted the exemption; school taxes and independent tax districts cannot be exempted.

## What is needed to qualify for the Low Income Senior Homestead Exemption?

1. The owner(s) of the property must reside on the property as of January 1 of the year the application is made.
2. The eligibility requirements for the original \$25,000 homestead exemption must be met.
3. An application must be made by March 1st. Income documentation is due by June 1st.
4. The combined household income for 2023 of all persons in the home cannot exceed **\$36,614**. This amount will be adjusted annually by the percentage of change in the Consumer Price Index. **Proof of income must be provided.**
5. At least one of the owners must be 65 years of age or older on or before January 1 of the year the application is made with proof of age provided.

## What determines income eligibility?

For those who qualify and apply by March 1, 2024 the exemption will be reflected on their 2024 Notice of Proposed Taxes.

## What does "household" mean?

"Household" means a person or group of persons living together in a room or group of rooms as a housing unit, but the term does not include persons boarding in or renting a portion of the dwelling.

## Where are the applications available?
