IMPORTANT INFORMATION

Dear Property Owner:

Congratulations on your recent purchase of property in Manatee County. There are several personal tax exemptions that may be available to you as a residential property owner if you qualify and **apply for them on-line or in person by the MARCH 1 DEADLINE**. In order to qualify for homestead exemption, **permanent Florida residency must be established as of January 1**. You will be required to provide the following information for each applicant: Social Security Number, Valid Florida Driver's License or Florida ID, Florida Vehicle Registration, and Florida Voter's Registration or Resident Alien Documentation. Additional information may also be requested to verify an applicant's eligibility. Our office encourages you to take advantage of our on-line homestead application system at www.ManateePAO.gov.

For your convenience, enclosed is a brochure explaining how and where to apply for homestead exemption or other personal exemptions. You may also be eligible to transfer the "Save Our Homes" cap from your previous homestead property to your new homestead property which is explained in the Portability section of the brochure.

If the tax notice on the property you have recently purchased reflects a homestead exemption, it may have been granted to the previous owner. If you move to a different residence, you must reapply for the exemption. Once your exemption is granted, it will automatically renew each year as long as there are no changes in status. This also applies to properties with an Agricultural Classification (Greenbelt). The exemption or classification is granted to the individual not the property. **You must reapply as the new owner.**

Please visit our website for additional information on homestead, low income senior exemptions, Save Our Homes and Portability. If you have additional questions, please contact our office and our Staff will be happy to assist you.

Sincerely,

Charles E. Hackney
